

1<sup>st</sup> Announcement

## Genomic Medicine: Translating Genes into Health

- Session 1.** New developments in decoding the human genome
- Session 2.** Discovery in clinical genomics
- Session 3.** Cancer genomics
- Session 4.** Populations genomics
- Session 5.** Bringing genomics into the clinic

**18-21  
April  
2012**  
Torino Incontra  
Convention Center  
Turin, Italy

Please visit [www.goldenhelixsymposia.org](http://www.goldenhelixsymposia.org) for regular meeting updates and the Scientific program.

#### ORGANIZERS

George P. Patrinos (Patras, Greece)  
Federico Innocenti (Chapel Hill, NC, USA)  
Paolo Fortina (Philadelphia, PA, USA)

#### CONFIRMED SPEAKERS

Myles Axton (New York, NY, USA)  
Francis Barany (New York, NY, USA)  
Sir John Burn (Newcastle, UK)  
Gianpiero Cavalleri (Dublin, IE),

Carlo Croce (Columbus, OH, USA)  
Radoje Drmanac (Mountain View, CA, USA)  
Elaine Dzierzak (Rotterdam, NL)  
Jim Eberwine (Philadelphia, PA, USA)  
Chun Fang Xu (Hertfordshire, UK),  
Achilles Gravanis (Crete, GR)  
Henk-Jan Guchelaar (Leiden, NL)  
Vanessa Hayes (La Jolla, CA, USA)  
Federico Innocenti (Chapel Hill, NC, USA),  
Erik Knudsen (Philadelphia, PA, USA)

Larry J. Kracka (Philadelphia, PA, USA)  
Mark Lathrop (Quebec, CA)  
Alberto Piazza (Torino, IT),  
George P. Patrinos (Patras, GR)  
Isidore Rigoutsos (Philadelphia, PA, USA)  
Hilger Ropers (Munich, DE)  
Ian Tomlinson (Oxford, UK)  
Ron van Schaik (Rotterdam, NL)
